## Introduction

---

Notice March 13, 2023: The Sierra Chart Exchange Data Feed is no longer available. Use the [Denali Exchange Data Feed](#) as a replacement. The Denali Exchange Data Feed will be adding the full US equities consolidated tape data feed both real time and delayed in April 2023. And will also be adding the NASDAQ Global Indices data feed.

For further information, refer to [Discontinuing of Old Sierra Chart/Barchart Exchange Data Feed | Replacement Data Feeds!](#).
